4-40-400 CHALLENGE

The Montana 4-H Foundation is celebrating its 40th Anniversary in 2009. Their purpose is to help support statewide 4-H Programs and projects. They disperse about \$100,000 a year in support of statewide efforts. They are issuing a challenge to members, clubs and counties. The challenge is for every member to donate \$4, every club to donate \$40 and every county to donate \$400. Be creative in your thinking. The money doesn't need to come from your budget. Be creative with ways to raise these additional dollars. Contact us for more information.

Meet Our Senior Ambassador

Sammie Cheney is the senior ambassador for Gallatin County. This is her 8th year in 4-H. Her projects are photography, teen leadership and cooking. She likes to help out in her club by shopping for families in need at Christmas and coming up with community service projects, like cleaning up the Pine Butte Schoolhouse. When she isn't doing 4-H, Sammie is participating in her school's plays and spending time with her friends and family. She is always willing to help out any person who needs it and is always open to suggestions.
